

INSURANCE AGENT

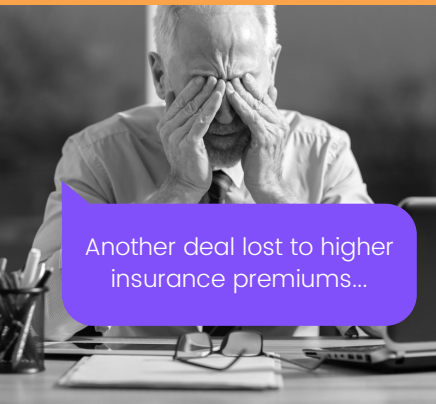

I wonder if I can sell them gap insurance?

COMPLIANCE OFFICER

How do I get my sales guys to comply with regulations 100% of the time?

SALESPERSON

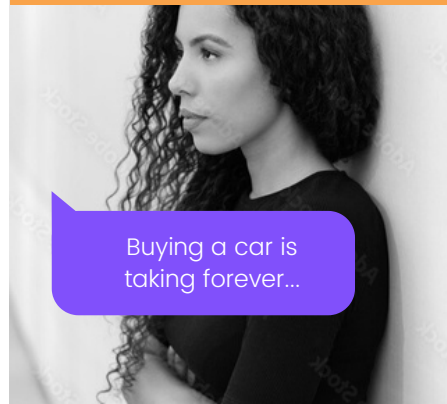

Another deal lost to higher insurance premiums...

DEALER

How do I prevent synthetic fraudsters from targeting my dealership?

CUSTOMER

Buying a car is taking forever...

Gather

Gather solves each of these problems and more.

The Auto Industry's Only Identity & Insurance Verification & Transfer Solution

Five dealer challenges. One remarkable solution.

Challenge	Solution
Lost F&I Sales	Gather eliminates the need for the customer to speak with their insurance agent, while in the dealership, who sells competitive F&I products.
Compliance	Gather eliminates the need for car sales personnel to handle consumer documents - reducing the risk of them being mishandled. Plus, by funneling every customer through Gather, your proof of insurance process will be anti-discriminatory.
Lost Deals	Gather eliminates the need for the customer to speak with their insurance agent, while in the dealership, reducing the risk of higher insurance premiums interfering with your deals.
Fraud	Gather identifies fraudulent consumers where traditional driver's license scanners cannot.
Customer Experience	Gather reduces the time it takes to verify insurance, helping the customer take delivery of their vehicle sooner.
